Green Lantern Play-a-Sound Book Mark Rader

The *Green Lantern Play-a-Sound Book* comes with an attached eight-button audio module that enables children to add sound effects and music to a story adapted from the Warner Brothers movie *Green Lantern*, released in June 2011. The book, which tells about DC Comics' Hal Jordan and the Green Lantern Corps fighting evil all over the universe, is designed for children ages 3 and older.

Children match icons on the book's pages to the eight buttons to activate these sounds:

- Three tunes, including an evil-sounding ditty, an ethereal refrain, and a major and minor-key tune
- Fanfare
- Glowing, pulsing ring sound effect
- Falling sound effect
- Crash
- Fast Doppler-effect zoom

The *Green Lantern Play-a-Sound Book* features full-color illustrations and a sturdy hard cover with a foil-embossed cutout. The book conforms to the specifications for toy safety of ASTM F963-08. Three replaceable long-life AG-13 button cell batteries that power the sound module are included.
