**ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

### Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

### Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

### Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

-- This package contains *Java Software Solutions: Foundations of Program Design, 7e*, and MyProgrammingLab with a Pearson eText student access code card for *Java Software Solutions*.

*Java Software Solutions* teaches a foundation of programming techniques to foster well-designed object-oriented software. Heralded for its integration of small and large realistic examples, this worldwide best-selling text emphasizes building solid problem-solving and design skills to write high-quality programs.

MyProgrammingLab is a database of programming exercises correlated to specific Pearson CS1/Intro to Programming textbooks. The exercises are short, focused on a particular programming topic, and are assignable and automatically evaluated. MyProgrammingLab provides immediate, personalized feedback which helps students master the syntax, semantics and basic usage of the programming language, freeing instructors to focus on problem-solving strategies, design and analysis, abstraction, algorithms, and style.
