Arthur Conan Doyle, James Macaluso

The Adventure of the Speckled Band - Lego - The Adventures of Sherlock Holmes Arthur Conan Doyle, James Macaluso

Sherlock Holmes, the world's "only unofficial consulting detective", was first introduced to readers in *A Study in Scarlet* published by Sir Arthur Conan Doyle in 1887. It was with the publication of *The Adventures of Sherlock Holmes*, however, that the master sleuth grew tremendously in popularity, later to become one of the most beloved literary characters of all time. In this book series, the short stories comprising *The Adventures of Sherlock Holmes* have been amusingly illustrated using only Lego® brand minifigures and bricks. The illustrations recreate, through custom designed Lego models, the composition of the black and white drawings by Sidney Paget that accompanied the original publication of these adventures appearing in *The Strand Magazine* from July 1891 to June 1892. Paget's iconic illustrations are largely responsible for the popular image of Sherlock Holmes, including his deerstalker cap and Inverness cape, details never mentioned in the writings of Conan Doyle. This uniquely illustrated collection, which features some of the most famous and enjoyable cases investigated by Sherlock Holmes and his devoted friend and biographer Dr. John H. Watson, including *A Sandal in Bohemia* and *The Red-Headed League*, is sure to delight Lego enthusiasts, as well as fans of the Great Detective, both old and new. **THE ADVENTURE OF THE SPECKLED BAND:** A distraught young woman named Helen Stoner arrives at Baker Street early one morning to ask Sherlock Holmes for help as she fears that her life is being threatened by her stepfather, Dr. Grimesby Roylott. At Stoke Moran, the estate where Miss Stoner and her stepfather live, Holmes carefully inspects the recent, but unnecessary, repairs to the manor-house and in doing so exposes a murderous plot.
