## **The Blade Warrior** P.M. Thomas

An immortal tyrant, an iron ruler, with an insatiable quest for conquering the world of Rygar destroys the glorious city of Trogar. Only two survive, a Princess and a nameless loyal warrior known only by his title, The Blade Warrior, driven by revenge at the loss of everything they hold dear and sacred, the two embark on a dangerous and perilous journey across a land full of the aggressor's forces and indigenous species that inherit the world of Rygar to The Iron Ruler's expanding kingdom with the hope of ending his cold, heartless reign and restoring peace and balance to the realm. It is engraved in stone, carved in steel, documented in ink, preached by elders: good always prevails and triumphs over the forces of evil. A champion will emerge from the ashes of decay, stand up and oppose the iron ruler in the name of virtue. It is just a matter of time.
