The Workbook / Laboratory Manual provides more conventional, drill-like practice of the **Strategie**, **Lessico**, and **Strutture** material presented in the textbook using a variety of written activities and audio activities. In addition, each chapter includes a **Cultura** section which expands upon the cultural themes of the chapter through additional listening activities (**Ascoltiamo!**), a new culture reading (**Leggiamo!**), and a writing activity (**Scriviamo!**). The **In Italia** feature reviews the cultural material presented in the chapter. At the end of each chapter of the *Workbook / Laboratory Manual* are the **Per saperne di più** practice activities for that chapter for those instructors who wish to cover more material in their curriculum. The graph paper charts from the textbook are reproduced at the back of the *Workbook / Laboratory Manual* for those students who do not wish to write in their books.
