Checking Him Out (3 Book Series) Debbie McGowan

From Book 1: Engineer Sol Brooks is a happily married man, so people keep telling him. He and Elise have been in Boston for eight years, he loves her, and she loves him. They've got a great apartment that's kept its value, they're both up for promotion, and he can hook up with any guy he likes—all the sex he wants, so long as it's of the “no strings” variety.

And that's all fine and dandy...
until a chance meeting at the checkout.

“This isn't a fluffy m/m filled with stupid misunderstandings...this is a book about the cost of being truly grown up; not in a YA coming of age, but in a turning over a whole new chapter way, complete with love and loss. Excellent read.”

“...wonderful and refreshing and just laugh out loud funny at times.”

“A powerfully written, life changing book. A beautiful read.”

Dear Author,

When I met the love of my new life (his words not mine...ass), I was simply waiting in the checkout line. I might have been caught up in a conversation with my best friend/wife of X amount of years about something, I can't remember at the moment. So anyway, we were distracted and didn't notice that the line had moved. So after maybe 30 seconds, or a minute at the most (I'm pretty sure it wasn't that long), Mr. Impatient, with an accent like that character on The Originals (not that I watch that show at my age), got our attention in the rudest way in my opinion, or in my wife's heart-of-a-ho opinion, the kindest way possible for our insensitive asses. I'm pretty sure his accent, mixed with his damn charm, got him out of more trouble

than it should. We had a rough start, but we had quiet moments when we weren't all over each other or fighting, in and out of bed. Anyway, I would love a story about our first year.

P.S. I want a story with interesting secondary characters interacting with the main characters. I want it to be known that the marriage is a *lavender marriage—no one is being fooled here. I want humor mixed in with hot-damn, slightly overwhelming sex. Alpha males with a bad case of the giggles at inappropriate moments. No BDSM please. One other request is that I wish the main characters to be in the age range of late twenties to early thirties.

*A lavender marriage is a “beard” marriage of convenience.

Sincerely,

T
