Harry Potter and the Chamber of Secrets is about Harry's second year at Hogwarts, and how he must uncover the truth of the Chamber of Secrets before the school is forced to close. Our unit provides teachers with a highly structured format for teaching language arts as students develop a love for reading longer materials like novels. Various areas such as reading comprehension, vocabulary development, spelling, grammar, and writing are all entwined in this integrated approach, eliminating the need for teaching these skills separately. This Novel Study provides a teacher and student section with a variety of activities, chapter questions, word search, graphic organizer and answer key to create a well-rounded lesson plan.
