## **Loose Ends (Just Call Me Angel) (Volume 5)** S. R. Claridge

It's been a year since Angel discovered her true identity in the Mafia world and being the first female boss has had its challenges. She's been kidnapped, shot at, Tasered, blown up and thrown out of a plane. Not many women can say that. Through it all she has learned that family loyalty means everything, traitors are not tolerated and love can be deadly. Tragedy strikes on the eve of a Maratinzano celebration when a nerve gas attack renders several Bosses dangerously exposed. Racing to secure her family before the assailant strikes again, Angel must ignore appearances, re-write the rules and erase everything she knew of good and bad. No one can be trusted and everyone is a mark. Unraveling the truth means tying up loose ends so they cannot ensnare the family again. The only problem is... some loose ends aren't fit to be tied.
