Pregnancy week by week : Pregnancy Guide: Voices from the womb Einat L. K.

You are probably curious to know what goes on inside your womb: How your baby is developing. What can be a better way than "hearing" about it from your baby himself? Being pregnant is both an incredible privilege and significant event in the lives of women that are fortunate enough to carry a child. While it's a time filled with wonder and hope, it's also marked by dramatic physical and emotional changes and major decisions. For each of those 42 weeks, you'll get an insider's perspective - that is, your baby's view - on how he or she is developing inside the womb and what changes you might be seeing or feeling. This book is also available in a journal format!
