## **Simply Merton: Wisdom from His Journals** Linus Mundy

“Merton gives us the idea that it is OK to travel the long path...to be confused, quirky, a doubter.... He leads us to believe that maybe we are better than we think we are—if we want to be better.”

—from the introduction

In his search for God, Thomas Merton wrote on timeless themes and questions we still wrestle with today. Simplicity, nonviolence, honesty, mystery, and even death and eternity—these topics and more permeated Merton’s writings. This book distills the wisdom of Merton’s dozens of books and voluminous journals into the enduring themes most relevant to readers today.
