Tell Me Honey...2000 Questions for Couples Vikram Chandiramani

How well do you know your partner? Almost everyone has a side they never reveal. You can transcend boundaries and know the true inner self of your partner. You'll be able to know about your partner's hopes, desires, ambitions, romantic inclinations, relationship skills, sexual needs, childhood, work and career priorities, fears, complexes, apprehensions, values, money priorities, family goals, talents & skills, addictions, beliefs & convictions, self image and a lot else that you would probably never have discovered. You'll find these questions useful irrespective of your current situation. If you're single and looking, many of these questions can help you start and carry an interesting conversation with a potential partner. You'll be able to know whether you share values, life goals and are on the same wavelength. You'll begin to see how your partner approaches relationships. If you're already in a relationship and want to know your partner better, these questions can help you know more and more about your partner each day. You'll be able to nurture your relationship and grow together, in every way. Even if you've been married for several years, you're almost certain to discover new aspects to your spouse's personality with these questions. If you're going to invest precious years of your life in a relationship, then this book will prove to be an invaluable tool in knowing whether you're spending your time on a person who's 'right' for you. Asking the right questions... If you're in a relationship and considering taking it to a new level, ask these questions before you date exclusively or commit and increase the chances of a successful relationship. If you find it hard to make conversation Most of these questions are open-ended questions that can be used in social settings. Get the conversation flowing. Be adept at conversation and increase your dating potential!
