Toward The Sunrising With New Orleans as their destination, Cheney Duvall and her nurse, Shiloh Irons, leave behind the glittering lights of New York City and travel first to Charleston, South Carolina, intending to stay for only a short time. But the purpose of their stop immediately draws them into the plight of this war-torn Southern city, in the painful throes of reconstruction and carpetbagger policies after the Civil War. Secret Place of Thunder A disturbing letter from her great-aunts has brought Cheney Duvall to their indigo plantation outside of New Orleans, but what she and Shiloh Irons discover is much more serious and dangerous than they imagined. A West Indies cult has begun performing their rituals and rites on a high knoll just across the bayou from the plantation, and warnings are sent that La Maison des Chattes Bleues is on spirit ground and the aunts must leave.
