Cloud Atlas: A BookCaps Study Guide BookCaps

Cloud Atlas by David Mitchell is difficult to explain--it's structure and style take you back and forth through time in a way that's both magical and complex. If you find yourself getting lost in whose who or just need a bit more help, then this study guide is for you. It includes analysis of themes, characters, and chapters. BookCap Study Guides do not contain text from the actual book, and are not meant to be purchased as alternatives to reading the book. We all need refreshers every now and then. Whether you are a student trying to cram for that big final, or someone just trying to understand a book more, BookCaps can help. We are a small, but growing company, and are adding titles every month.
