The series is now complete. Enjoy the final installment of Alpha Fighter.

Savannah Santos did the one thing most forbidden to her: she fell in love. But just after opening herself up to love and losing her virginity to MMA fighter Cooper Quin, the skeletons in her closet come knocking. Forced to make a difficult decision between life and death, both for herself and her lover, Savannah goes on the run again. But once in love, the heart cannot forget.

Weeks before the biggest MMA tournament of the year, returning champion Cooper finds himself in a position he never could have anticipated. Not only did he fall in love with a beautiful girl, but now she has left him and, try as he might, he can't get her out of his mind. The title he has worked to defend all year is his to win again if he can let her go, or he could pursue the damaged girl who just might be his one true love.

Savannah's past is catching up with her and she knows that she cannot afford to slip up again, even if that means she has to abandon love. Nowhere is safe for Savannah, and following her could cost Cooper much more than a title. Her deadly secrets could cost him his life.
