Lacey Burke is always in a hurry, rushing around collecting speeding tickets the way others collect stamps. When the time comes to pay the piper for driving too fast, she can't cover the cost. Being sentenced to thirty days of community service is the last thing she expects. It isn't part of her plans and certainly doesn't fit into her lifelong dream. But plans and dreams have a way of changing. Sometimes they morph into something bigger, better and sweeter than anything you can imagine. Chance Taggart doesn't believe in second chances. Resigning himself to a life of misery, he chooses to live as an untamed, filthy animal on the streets until the sweet relief of death claims him. When the hot-tempered and curvy Lacey Burke infiltrates his world, ten years of his despair and bone-aching loneliness starts to crumble. Still, he is convinced that no amount of light can penetrate the darkness in his world. Not even one that shines as brightly and beautifully as she does. Despite Chance's best efforts to deter Lacey, she keeps turning up like a bad penny. Her stubbornness and refusal to heed his warnings could get them killed. Or, it could catapult them into a stratosphere of love and happiness unlike either has ever known. Apple Pie Angel is part of the Plus Size Romance Series. Each book is a standalone with no overlapping characters, storylines or cliffhangers. This series is a perfect combination of romance, steamy love scenes and humor. The stories are sensual and romantic, uplifting and lighthearted. Feel-good reads that leave you feeling great!
