QuickBooks Financial Software has become the preferred accounting software for the small business market.

QuickBooks 2010 On Demand is a task-based reference book, designed to appeal to the QuickBooks user who wants the answer to questions in a hurry. The book is highly visual, with screen shots and callouts describing each step of particular tasks. Accompanying the task steps are cross-references to related sections of the book, tips and short cuts, introductory text, and sidebars that expand on more technical areas of the program. From the starting moments of taking the QuickBooks program out of the box for the first time, through setup of a company, to beginning and ongoing tasks, monthly and less frequent periodic tasks, special features unique to QuickBooks Pro, and aspects of using QuickBooks online, this book provides direction that is quick to find and easy to understand. Whether the user is experienced with QuickBooks and just needs a quick answer to a nagging question, or a novice who doesn't know where to begin, this book provides a unique and detailed resource that can be kept by the your side for easy reference.
