**Welcome to the heart—and heat—of Australia...**

They say that no one has secrets in a small town—these women prove them wrong.

Eight brand-new stories from some of Australia's hottest writers in Australia's hottest genre. From the bar stools of the local pub to the wide open plains of the biggest stations in the world, these tales travel the dusty roads to the heart of Australia and the women who understand how to work hard—and play even harder.

In the latest in the wildly successful *Secret Confessions* series from Escape Publishing, the women of *Down & Dusty* invite you into their lives—and their bedrooms.

Frankie has lost a lot to her stepbrother, Mac: her father's affection, the family cattle station, her teenage daydreams. But Mac has never shown any interest in taking what Frankie wants to give: her heart, her soul, and her body. So Frankie has no choice. She can't continue to live with Mac, loving him as she does, knowing he doesn't want her in return. She has finally saved enough money to buy Mac out of the station and out of her life for good. But Mac has an offer of his own: one night together, and he'll walk away. One night for full ownership of the cattle station. For Frankie, it's an offer too tantalising to resist, an offer too dangerous to consider— an offer she can't refuse.
