Offering a brand new approach to teaching music in the primary classroom, *Teaching Music Creatively* provides training and qualified teachers with a comprehensive understanding of how to effectively deliver a creative music curriculum. Exploring research-informed teaching ideas, diverse practices and approaches to music teaching, the authors offer well-tested strategies for developing children's musical creativity, knowledge, skills and understanding.

With ground-breaking contributions from international experts in the field, this book presents a unique set of perspectives on music teaching. Key topics covered include:

- Creative teaching, and what it means to teach creatively;
- Composition, listening and notation;
- Spontaneous music-making;
- Group music and performance;
- The use of multimedia;
- Integration of music into the wider curriculum;
- Musical play;
- Cultural diversity;
- Assessment and planning.

Packed with practical, innovative ideas for teaching music in a lively and creative way, together with the theory and background necessary to develop a comprehensive understanding of creative teaching methods, *Teaching Music Creatively* is an invaluable resource for undergraduate and postgraduate students in initial teacher training, practising teachers, and undergraduate students of music and education.
