## **Whale Man** Alan Parker

Fiction. Avi Heyer's rollicking adventure begins when he returns to Elsbeth, North Carolina, to settle his mother's affairs. A student chef with the wrong girlfriend and a mud-loving dog, Avi soon finds himself dragged into a criminal conspiracy. His world is churned up, down and sideways by the diabolical Camel and her hired henchwomen; an unknown phone caller who somehow tracks his every move; an enticing hippie who may be trying to steal something from Avi; a plainspoken building contractor with a suspicious hearing aid; and a news reporter desperate for love. And then there's Avi's whale, with its graceful bulk and keening song, a whale that becomes more than an obsession.
