These stories will excite you, tease you, and please you.

Sons of Sin MC: Arizona's never been so hot as in this steamy erotic romance.

Abigail is fresh out of high school and on the road trying to find herself and some independence. Her mom might not ever forgive her for hitchhiking across the US alone, but at least her dad promised to keep the money flowing.

Things were fine until a crazy old lady left her stranded in the middle of the Arizona desert. No one will stop for her, and the unbearably hot day is quickly turning into a frigid night.

Out of the darkness, an unlikely savior arrives. Chuck's not exactly the kind of person you expect to be riding a motorcycle through the desert, but he's handsome and he's kind enough to offer Abigail a ride into Phoenix. She happily takes him up on the offer.

When a rival gang blows up Chuck's bike while Abigail and Chuck are both sleeping, though, a once innocent young woman finds herself thrust into the dangerous world of motorcycle gangs, guns, and drugs. Will she survive long enough for her one night stand with Chuck to turn into something more?

Favor for the MILF: She wanted him all along... she just didn't know it yet

James Trapper, like most college students, hoped mostly to pass the time between the Spring and Fall semesters lying in bed.

Instead, he found himself doing favors for a friend of his mother's -- a total bombshell with a ton of money, and all James needed to do was help with some computer trouble. He screwed up, though, and badly: It seemed awkward to sit there with such obvious arousal, but getting caught taking care of it in the bathroom was worse.

Can he ever be forgiven? And more importantly, can he make her see him as a man, instead of a boy?

Domination and Control: Sarah's been a naughty girl. She's been lusting after some new shoes and a hot new dress, but she knows she can't pay for it. She sneaks into her sexy older roommate's room while he's showering and takes his credit card. As she heads off to the mall, she's sure she's committed the perfect crime.

When she comes home she's surprised to see his car in the driveway. He's furious and ready to punish her from stealing from him, but the punishment only makes him horny. He takes Sarah as his own slut, and she loves every second of it.

These three taboo stories feature the following naughty sexual themes:

Action and adventure
