Retrofilia: 50 años de política, alucine y rock (Spanish Edition) José Luis Guzmán (Miyagi)
De una manera clara, sin rebuscamientos ni prejuicios, y celebrando el medio siglo transcurrido entre 1954 y 2014, *Retrofilia* ofrece una mirada fresca, hasta nostálgica, de nuestro pasado y, por supuesto, nuestro presente.

Un texto salpicado de eventos mundiales, innovaciones tecnológicas y playlists, que resumen lo más memorable y lo execrable de las últimas cinco décadas.

Los años ochenta no empiezan con el sexenio de Miguel de la Madrid, la muerte de John Lennon o la llegada a la Casa Blanca de Ronald Reagan, sino con MTV; los noventa no son los del TLC, Luis Donaldo Colosio o el EZLN, sino de la llamada radio alternativa y la reconquista del espacio público de la mal llamada "sociedad civil"; y los 2000 no inician con la primera caída del PRI, sino con el nacimiento del iPod... Y así...

En *Retrofilia*, Miyagi recorre cinco décadas que atraviesan los principales acontecimientos en la vida nacional a través de anécdotas cargadas de humor, como cuando Luis Echeverría, todavía presidente de México, se coronó con su célebre frase: "Antes estábamos a un paso del precipicio... ahora hemos dado un paso al frente"; y salpica el recuento con eventos de escala mundial, como la guerra de Vietnam. También repasa las innovaciones tecnológicas, como cuando en 1961 se creó el primer videojuego de la historia, *Space Wars*, y recuerda que en 1955 se editaron *Lolita* y *Pedro Páramo*. Habla de la programación en las salas cinematográficas y en los canales de televisión de la época (quién no se acuerda de *El tesoro del saber*, *Los años pasan* o *Cosas de casados*).

Pero eso no es todo. Al mismo tiempo, y gracias a su vasto conocimiento musical, nos regala listados de canciones emblemáticas de cada década con sugerencias como: "25 canciones para animar velorios" o "Las 25 peores canciones de los ochenta para ser escuchadas sólo bajo vigilancia médica". En pocas palabras, este libro es el lado B de las voces oficiales; escrito para nostálgicos, adictos musicales y curiosos permanentes.
