Awakening Cassandra Carr

Vanessa Clark is doing a research paper for one of her last classes - Psychology of Sex - before receiving her Bachelors' degree. Once she discovers the topic of BDSM, everything else pales in comparison. But where will she learn about it? The Internet has its limits, and Vanessa needs to talk to real-life practitioners of BDSM to really understand the lifestyle and write about it. Will Astin, who serves as a dungeon master at a local BDSM club, doesn't expect to find a gorgeous, irresistible young woman when he agrees to a meet and greet with a college student as a favor to the club's owner.

Even better, she's interested in learning about BDSM for what he suspects are more than scholarly reasons, and Will decides he's just the man to teach her about it, hopefully claiming her for his own. Will and Vanessa begin a journey which teaches both of them there's more to BDSM than meets the eye. In the process, they grow closer, but when Will's job puts him in the line of fire - literally - their roles are reversed and Vanessa has to take charge. Can they handle the rapid shift in their burgeoning dynamic, or is their relationship doomed?

Note: This is a new adult light BDSM romance.
