## **Human - All-Too-Human - A Book for Free Spirits** Friedrich Wilhelm Nietzsche

This is Friedrich Nietzsche's seminal work; "Human, All Too Human: A Book for Free Spirits" - first published in 1878. It constitutes the first work in his signature aphoristic style, discussing many different concepts in brief paragraphs and sentences. The 638 aphorisms are divided into nine sections by subject, with a short poem as an epilogue. This fantastic book is highly recommended for students of philosophy, and is not to be missed by fans of Nietzsche's work. Friedrich Wilhelm Nietzsche (1844 - 1900) was a German philosopher, poet, composer, and scholar. He wrote numerous critical essays on morality, culture, philosophy, science, and religion - radically questioning the value and objectivity of truth. Many antiquarian texts such as this, particularly those dating back to the 1900s and before, are increasingly hard to come by and expensive. It is with this in mind that we are republishing this book now in an affordable, modern, high quality edition. It comes complete with a specially commissioned new biography of the author.
