International Handbook of Catholic Education: Challenges for School Systems in the 21st Century (International Handbooks of Religion and Education)

Knowledge of Catholic educational scholarship and research has been largely confined to specific national settings. Now is the time to bring together this scholarship. This is the first international handbook on Catholic educational scholarship and research. The unifying theme of the Handbook is 'Catholic Education: challenges and responses' in a number of international settings. In addition to analyzing the largest faith-based educational system worldwide, the book also critically examines contemporary issues such as church-state relations and the impact of secularization and globalization.
