## L RAE BROWN On Being A Woman: Short Stories - Poems - Quotes (L RAE BROWN Heart On Fire) L RAE BROWN

From my struggles, experiences, the lessons I've learned plus the awakening and reawakening in my lifetime. There are over seven billion humans on earth, majority of them female. This body of work is not for all women, I realize that. I'm humble enough to know my words will not be understood or liked by all women. Some may get it; some might hate it, some might love it. Others might be turned off by it. My words are not for everyone to grasp. It's not supposed to be.

In our respective life journeys, along the way...it's always refreshing to know we are not alone. We are having almost identical struggles, experiences and life lessons in the different seasons of our lives. I only hope from my experiences I'm able to articulate my lessons through my various writings.

I've set this book to release on New Year's Day 2015. Why?  
Because It's your new year, to be a new Woman!
