Sex After 60 Hattie Herman

This is not a “how to” guide because at this age you already know “how to”—you need to find someone to do the “how to” with, and then be happy doing it. Finding the right someone is the tricky part. One thing we can say is that we all have a lifetime of experiences. That doesn’t mean we still can’t make mistakes.

Read—and perhaps together we can learn a little something from each other’s experiences.

We will take several scenarios and offer some actual interviews with real people to search for what it takes to put together a lasting relationship.

We will get into some very serious subjects and some rather funny ones as well.

Sit back. Read. And enjoy!
