Shadows From The Rising Sun (An American Family's Saga During The Japanese Occupation Of The Philippines) Paul R. Lindholm

This book describes the experiences of the Lindholm family as they lived and worked with a very large Protestant Church deep in the mountains of Negros. Filipino families enabled the Americans to survive; and Mr. Lindholm continued to serve as a missionary throughout the four years of war. He was in touch with many Silliman students and faculty members -- and with the guerrilla forces which were loyal to the cause of freedom.
