The old world is fast disintegrating. All around us, we can see its structures decaying and turning into dust. Now it is up to us to help build the new world. In this moving book, Reshad Feild, one of the best-known teachers of the essence of Sufism in the West, defines the task now facing us, and emphasizes that if this new world is to endure, it can only be built of Love. Giving up the pursuit of transient material concerns, we must each accept Love as the only Truth. The conscious surrender is the process he calls "alchemy of the heart".
