The Global Economy and Its Economic Systems (Upper Level Economics Titles) Paul R. Gregory, Robert C. Stuart

Since the first edition of this book in 1975 (previously titled *Comparing Economic Systems in the Twenty-First Century*), this market-leading title has examined different economies in theory and practice. This edition represents a complete revision and a significant expansion of the previous (2004) edition. The authors have completely rewritten and reorganized the 21 chapters of the previous edition and included a new chapter (Chapter 12, The European Model). Available with InfoTrac Student Collections
