100 Days in the Secret Place Gene Edwards

Bored with the exercises of religious ritualism and parched by the teaching of dry dogma, man searches for a way back home to the place of His presence. Unfortunately, this journey inward is a "road less traveled" and too few have found the way. Gene Edwards, the master storyteller, has gathered together the writing of three Christian mystics from the seventeenth century: Michael Molinos, Madam Guyon, and Francois Fenelon, The writings of these "masters of the spiritual way" will be as lampposts leading the weary traveler towards that secret place lovingly created by the Father. The writings of Molinos, Fuyon, and Fenelon will bring you to the brink of your own humanity as they lure you to step over the threshold into the world where God has prepared a special place just for you. Are you living in a drought of spiritual dryness? Are you lost in the depths of spiritual loneliness? Are you longing for a moment of spiritual reality? Then 100 Days in a Secret Place is your way out!
