**Mark (Saint Andrew's Expository Commentary)** Sproul, R.C.

Mark presents the fruits of Dr. R. C. Sproul's lifetime of biblical study as expressed in his most recent calling. After a long and distinguished ministry as a teacher in various settings, Dr. Sproul accepted a call in 1997 to preach at St. Andrew's in Sanford, Florida. There, he adopted the ancient practice of preaching through books of the Bible, eventually working his way through several of them. He has now begun to adapt those sermon series in book form, and the result is the St. Andrew's Expository Commentary series. In Mark, the fifth volume in the series, Dr. Sproul deals with major themes in his easily understandable style. Readers will find invaluable insights into the goals Mark had in writing his gospel, the background for Jesus' time, and the meanings of some of Mark's most difficult passages. This introduction to the gospel of Mark is packed with insights and exhortations that will draw the reader closer to the Savior and encourage him or her to a greater depth of love and devotion to Him.
