America is on a knitting roll (thanks in no small part to Stitch 'N Bitch). Now comes the essential journal for chicks with sticks. From the author of the “tour de force”\* *Stitch 'N Bitch*, and *Stitch 'N Bitch Nation* (together with over 335,000 copies in print) and guru to an ever expanding movement of edgy young knitters, comes a Stitch 'N Bitch journal. Hip in design and compact enough for a knitting bag, this user friendly journal is packed with valuable information. Features include yarn required for basic knit items, pages to keep track of supplies, a glossary, and something no other journal has: design aids such as templates, pre-drawn knitter’s models, and graph paper. Plus a die-cut ruler to measure knitting gauge and check needle size.
