Author Lisa Steele is one of the most trusted voices in small-flock poultry keeping. Her first book, *Fresh Eggs Daily*, was all about healthy, natural care for chickens. Now comes *Duck Eggs Daily*, an equally valuable guide to raising ducks for eggs and companionship. This is also a book for chicken keepers who want to add ducks to their flock. While ducks can live happily with chickens, ducks are different in many important ways. Steele provides an information-packed, beautifully photographed how-to for raising – and living with – happy, healthy ducks. She examines every aspect of her ducks' lives, including duck houses and pools, health care, duck behavior and blending ducks into a chicken flock. She provides a breed chart and a selection of favorite recipes using duck eggs.
