## **SELLING MORE BOOKS**

**This book will help you write more books in less time, and avoid learning lessons that cost you time and your precious effort.**

There is a learning curve for Amazon Kindle books. You certainly have to write more than one to get the hang of it. Amazon gives you a infallible flow chart to follow to write your book on their platform. **This book shows you how to find and use Amazon's own flow chart to shape your eBook writing and marketing.** You definitely need to follow that flowchart to get the results it provides. This book also emphasizes the use of SEO and keywords throughout the flowcharted process. It even gives strong pointers about how the book cover impacts your sales and what should and shouldn't be included on it. You may be surprised!

### **By reading this book, you will learn:**

- 7 general information tips for how to write more faster
- How to use Amazon itself to find out the best topics for writing new books
- How to use Amazon's Kindle Direct Publishing book details as a process for producing your next book
- How to obtain and use "inside information" about Amazon's book sales algorithm
- How to maximize the effectiveness of keywords in Amazon's book upload form
- Some valuable tips on how to write the most effective book description
- Tips to productively use Evernote and Dragon Naturally in your writing.

This book delivers on its promise to give you specific actionable tools that you can immediately use to sell more books on Amazon. The author's understanding of the Amazon algorithm and structure is a valuable resource for all authors. Both beginning and more experienced authors are sure to encounter ideas that will challenge their thinking and press them toward changes that will be profitable.
