Is Your Family or a Family You Know Going through Divorce? Divorce is difficult, even under the "best circumstances." When children are involved, the transition from the life they always knew into the unknown can be scary, painful and even heartbreaking. Kids have feelings that need to be addressed during this difficult time and it's not always easy to discuss. This book takes your family through a young boy's journey, from the time he found out his parents were going to divorce and afterwards into his new way of life. Bill shares his feelings, his ups and downs and the discoveries he makes while he goes through this life-changing event. Find out how Bill and his family get through divorce and discover that change, although difficult and sometimes challenging, can still bring a happy ending.
