Alasdair McMahon isn't focused on finding his mate. He only has one thing on his mind - avenging his sister. Knowing the damage his dad's fated mate had done to his family, he isn't even sure he ever wants to find a mate of his own. Alasdair quickly discovers that sometimes the thing you want the least is what you need the most when his journey leads him straight to the woman fate has chosen for him.

Finley Woulffe is the beloved daughter of an alpha. Her parent's marriage set the example of what she thought life would be like when she meets her fated mate. She accepts Alasdair's mark without a second thought but soon learns of the grudge her new mate and his family have against her father. Will she have to *bear the consequences* of his mistake?

This is book one in the McMahon Clan series, a spin-off from the Black River Pack series. Each novella features a different couple.
