Welcome to the World of Black Rose. A world where nothing is as it seems, yet greed lurks on every conversation. Conversations of power struggles, disposal of bodies, as well as blackmail tactics. These were the things that excited Black Rose, besides the love she has for her Blue Nose pitbulls. The no busta rule is always enforced on a daily, as she asked all snitches to cease to exist. You have now entered the world of plots and crosses, so pay attention and avoid traps, when dealing with the people in Black Rose's world.
