Connor O'Dwyer lives in County Mayo, the rich history and mysterious lore of Ireland coursing through his veins. Branna, his sister, lives here as well, and his cousin Iona discovered what love means here. He has an unbreakable bond with his childhood friends, a bond as certain as an iron ring. That ring is about to be tested, and this sidekick to *Shadow Spell* takes you through each test, analyzing the plot, characters, and setting.

Meara Quinn is Branna's sister, not by blood but in friendship. Connor sees Meara every day throughout the countryside, as each offers guided tours for tourists. She is stunning, in every way, but Connor never saw her that way, until a fateful event leads him into a steamy tangle with her. Connor is no rookie to entertaining women in his bed, but entertaining them in his heart? That's another story. In *Shadow Spell*, Connor's past is creeping in, threatening everything, and he'll need everyone in his inner circle to get through it unscathed. Our sidekick wraps up this dense novel nicely, with a list of questions and responses worthy of any book club meeting.
