Do you ever dream of Buying a Home, but are confused about where and how to start?

Are you convinced that the home buying process is filled with insane complexities and is difficult to navigate?

And do you spend so much of your hard earned cash on rent every month, that it disgusts you?

This no-nonsense, straight to the point guide will provide 40 Steps that will solve the problem of What, When, Where and How of buying a home.

What holds many people back from buying a home is the perceived complexities of the process. But those are just myths. The Home buying process is rewarding and although very involved, can be fairly simple for most people when provided the right resources.

In an effort to simplify the process for the average reader, Scottie Smith breaks down every barrier to entry that a person that dreams of buying a home may come across by explaining all of the information needed to go about your search.

In this book, the reader will learn the answers to the questions:

- Where do I start?
- How Do I budget for my home?
- What are my financial responsibilities
- What are the Do's and Don'ts of the Process
- How do I find a Home

Don't let the common misconception that buying a home is difficult or confusing, hold you back.

These 40 Steps will walk you through the entire process; From Decision to Close, and will turn you into a savvy home buyer in no time!
