Public Management and Governance

Public Management and Governance

Public Management and Governance examines the factors which make government critically important and the barriers which often stop it being effective. It questions what it means to have effective policies, efficient management and good quality public services, and it explores how the process of governing could be improved. Key themes include:

- the challenges and pressures facing governments around the world;
- the changing role of the public sector in a ‘mixed economy’ of provision;
- governance issues such as ethics, equalities, transparency and citizen engagement.

This revised and updated third edition includes eight new chapters which provide in-depth coverage of key new aspects of public management and governance. It also features a wide selection of international case studies and illuminating examples of how public policy, management and governance can be improved – and what happens when they fail. Each chapter is supplemented with discussion questions, group and individual exercises, case studies and recommendations on further reading.

Public Management and Governance is one of the leading student textbooks in its field, featuring contributions from top international authors and covering a wide range of key topics in depth. It is an essential resource for all students on undergraduate and postgraduate courses in public management, public administration, government and public policy.

From reader reviews:

Mark Fetter:

As people who live in the actual modest era should be update about what going on or info even knowledge to make them keep up with the era which is always change and move forward. Some of you maybe can update themselves by looking at books. It is a good choice in your case but the problems coming to you is you don't know which one you should start with. This Public Management and Governance is our recommendation to help you keep up with the world. Why, as this book serves what you want and need in this era.

Larry Artz:

A lot of people always spent their very own free time to vacation or even go to the outside with them loved ones or their friend. Are you aware? Many a lot of people spent they free time just watching TV, as well as playing video games all day long. If you wish to try to find a new activity that is look different you can read the book. It is really fun for yourself. If you enjoy the book which you read you can spent 24 hours a day to reading a guide. The book Public Management and Governance it is quite good to read. There are a lot of those who recommended this book. We were holding enjoying reading this book. If you did not have enough space to develop this book you can buy often the e-book. You can m0ore very easily to read this book from your smart phone. The price is not too expensive but this book provides high quality.

Christine Brooks:

People live in this new day of lifestyle always try to and must have the free time or they will get lots of stress from both lifestyle and work. So , if we ask do people have spare time, we will say absolutely sure. People is human not just a robot. Then we consult again, what kind of activity do you possess when the spare time coming to you of course your answer may unlimited right. Then do you try this one, reading publications. It can be your alternative in spending your spare time, the book you have read will be Public Management and Governance.

Pilar Porter:

Many people spending their time period by playing outside along with friends, fun activity together with family or just watching TV the whole day. You can have new activity to enjoy your whole day by reading through a book. Ugh, do you consider reading a book really can hard because you have to bring the book everywhere? It alright you can have the e-book, having everywhere you want in your Touch screen phone. Like Public Management and Governance which is keeping the e-book version. So , try out this book? Let's notice.
