Disquiet, Please!: More Humor Writing from The New Yorker (Modern Library Paperbacks)

The New Yorker is, of course, a bastion of superb essays, influential investigative journalism, and insightful arts criticism. But for eighty years it's also been a hoot. Now an uproarious sampling of its funny writings can be found in this collection, by turns satirical and witty, misanthropic and menacing. From the 1920s onward—but with a special focus on the latest generation—here are the humorists who have set the pace and stirred the pot, pulled the leg and pinched the behind of America. The comic lineup includes Christopher Buckley, Ian Frazier, Veronica Geng, Garrison Keillor, Steve Martin, Susan Orlean, Simon Rich, David Sedaris, Calvin Trillin, and many others. If laughter is the best medicine, **Disquiet, Please!** is truly a wonder drug.
