I'd wanted James Parker for as long as I could remember. I'd admired him since forever, but I wasn't the only one. He made his way through the beds of every woman in our small town... every woman but me, that is.

Years passed without sight of James until the night my dad took me to watch him ride in a rodeo. As I watched him conquer a bucking bull, all I could think about was having him ride me the same way.

Daddy offered James a job on our family's ranch, which gave me the perfect opportunity to realize my deepest desires. But James was as cocky as he was hot, and I soon realized that taming him could prove to be impossible.
