Sweet, inexperienced Catherine has been looking forward to this night ever since she was little—the night that, as a pure, married woman, she'll finally give the gift of her innocence to the one and only love of her life.

Little does she know ... her handsome and domineering fiancé, Stephen, has other plans.

Stephen owns his devoted and submissive little bride, and he wants nothing more than to watch her defile herself thoroughly and shamefully, then punish her for it afterward as he takes her roughly for himself.

The stage is already set. Stephen's army buddies are waiting in the honeymoon suite with restraints and more.

Will prim and pure Catherine deny her beloved groom his dark fantasy, or will she let her lust and desire to be used and degraded take hold, finally giving in to her own sinful, deeply repressed passions?
