Two little girls, frozen in black and white. One picture worth killing for.

The Civil Rights Movement is less than a distant memory to Lisa Waldren—it is someone else’s memory altogether, passed on to her through the pages of history. Her life as a federal prosecutor in Boston feels utterly remote from the marches in the South that changed her father’s generation—and the entire nation—forever.

But the truth is, she was there.

When a photograph surfaces showing a blond, four-year-old Lisa playing with an African-American girl at a civil rights march in Fort Worth, Lisa is faced with a jarring revelation: the girls may have been the only witnesses who observed the killer of civil rights leader Benjamin Gray . . . and therefore the only ones who can exonerate the death row inmate falsely accused of the murder.

Soon, Lisa finds herself in the dangerous world her father had shielded her from as a child. After some searching, the Waldrens find the other little girl from the photo and, in the process, uncover conspiracy mere steps away from the likes of Bobby Kennedy, Lyndon Johnson, and J. Edgar Hoover.

Based on real events and a photograph snapped by author Lis Wiehl’s own G-man father, *Snapshot* is a remarkably original marriage of mystery and history.

From reader reviews:

Charles Siegrist:

Book is to be different for each grade. Book for children until finally adult are different content. As you may know that book is very important for us. The book Snapshot had been making you to know about other know-how and of course you can take more information. It is quite advantages for you. The guide Snapshot is not only giving you more new information but also to become your friend when you feel bored. You can spend your personal spend time to read your reserve. Try to make relationship together with the book Snapshot. You never really feel lose out for everything in case you read some books.

Robert Dunham:

Are you kind of stressful person, only have 10 or 15 minute in your morning to upgrading your mind skill or thinking skill perhaps analytical thinking? Then you are experiencing problem with the book compared to can satisfy your limited time to read it because pretty much everything time you only find book that need more time to be go through. Snapshot can be your answer because it can be read by anyone who have those short time problems.

Richard Lamm:

Do you like reading a e-book? Confuse to looking for your chosen book? Or your book ended up being rare? Why so many question for the book? But just about any people feel that they enjoy for reading. Some people likes looking at, not only science book and also novel and Snapshot or maybe others sources were given knowledge for you. After you know how the good a book, you feel desire to read more and more. Science e-book was created for teacher or even students especially. Those publications are helping them to include their knowledge. In other case, beside science e-book, any other book likes Snapshot to make your spare time more colorful. Many types of book like here.

Kim Nielsen:

As a university student exactly feel bored to help reading. If their teacher questioned them to go to the library or to make summary for some guide, they are complained. Just very little students that has reading's soul or real their pastime. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that reading is not important, boring as well as can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Snapshot can make you feel more interested to read.
