The Book of Kin (The Ringing Cedars Series, Book 6) 2nd Edition (The Ringing Cedars) Vladimir Megre

"The Book of Kin", the sixth book of the Series, describes another visit by the author to Anastasia's glade in the Siberian taiga and his conversations with his growing son, which cause him to take a new look at education, science, history, family and Nature. Through parables and revelatory dialogues and stories Anastasia then leads Vladimir Megre and the reader on a shocking re-discovery of the pages of humanity's real history that have been distorted or kept secret for thousands of years. This knowledge sheds light on the causes of war, oppression and violence in the modern world and guides us in preserving the wisdom of our ancestors and passing it over to future generations.
