Ask Again Later: A Novel Jill A. Davis

Emily has a tendency to live with one foot out the door. When her mother dramatically announces, "*They've found a lump*," Emily gladly leaves behind her career, her boyfriend, and those pesky, unanswerable questions about who she is and what she's doing with her life to be by her mother's side. But back in her childhood bedroom, Emily realizes that she hasn't run fast or far enough—especially when she opens the door, quite literally, to find her past staring her in the face.
