Daughters of Sarah – This is a book of hope and encouragement. On first reading it will relieve the wife of the indecision regarding God’s will for her life and will give her firm and immediate direction. It will also be a very real help to those who are separated or divorced or just not experiencing the joy and fullness God planned when He created marriage. Answers to some very tough questions are dealt with in this book. Also, there are powerful testimonies of how God moves when women choose to obey him.

Elisabeth Elliot wrote, What an encouragement to find another author “on my wavelength”! You and I have been reading the same Book! Thank you for sending yours–in line with Scripture, thank God. I had just answered a letter from a lady who wrote, “My husband is not a Christian and I’m NOT ABOUT TO SUBMIT TO HIM!!!” So I added a note recommending your book.
