Only one woman holds the key to ending a Blood Knight's eternal life...

Immortal Kellan Ladd has spent centuries looking for the one woman who can put an end to his immortality. But *that* woman has no idea of her monumental task. Or how much this rebel knight's attraction to her will complicate his mission.

The leather-clad, Harley-riding stranger was the sexiest man McKenna Randall had ever met. From the minute they touched, she knew they were connected. Now she's about to find out just how tightly bound they are when they must go head-to-head with a nest of deadly vampires...
