Experience key U.S. Civil War battles through the eyes of a black stallion whose future generations will carry notable military leaders into American wars. *Mine Eyes Have Seen the Glory: A U.S. Civil War Horse Perspective: 1861-1865* is the first of a series of historical fiction books used to pay tribute to the American men and woman who served honorably for our country. The main character, Lucky, finds the will to survive many battles that defined America. *Mine Eye Have Seen the Glory* was crafted to remind its readers that the Civil War was not that long ago. With a dose of imagination, the key book characters saw the same defeats and triumphs the men experienced while fighting for their respective sides---North or South.
