Political Scandals: The Consequences of Temporary Gratification La Trice M. Washington
Political Scandals: The Consequences of Temporary Gratification questions whether the consequences associated with non-sex-based scandals carry greater penalties than sex-based political scandals in the twenty-first century. Featuring a detailed analysis of over 50 political scandals, this book examines the impact those events have on the lives of political officials, their families, and public trust. *Political Scandals* diminishes the typical sensationalism associated with scandal coverage and dissects what happens when human beings yield to greed, power, sex, lust, and theft in their personal and professional lives.
